

LUMINARIES FOR LIFE

Relay For Life of Rocky River 2009
May 23-24, 2009

Relay For Life is the national signature event of the American Cancer Society. It is held at area venues where participants walk around a track to show their support for cancer survivors and to raise funds to continue the fight. At nightfall, luminaries light the track as we remember those who lost their lives to cancer, honor those who have survived as well as thank those who have helped!

Luminaries will be available for contributors to place around the track themselves, if desired, on Saturday from 1pm-8pm. Otherwise, volunteers will place the luminaries around the track.

DEADLINE: Forms **MUST** be completed and postmarked **NO LATER** than one week prior to the event. We cannot guarantee luminary display for luminaries turned in after the deadline.
